## Age no barrier for Homespun composers

He's a Boy Scout, is a student in horsemanship and now Foundations Academy sixth-grader James Bradford is a composer whose piece, *Rancher's Roundup*, will be featured Sunday at BrightonMusic's 14th Annual Homespun Concert.

The celebration of local talent – featuring music as well as displays of paintings, sculptures needlework and crafts – will begin at 4 p.m. Sunday at First Presbyterian Church of Brighton, 510 S. 27th Ave. Homespun is free and, of course, open to the public.

The concert will include works for orchestra, brass choir, and woodwind ensemble by composers ranging from 11 (James Bradford) to 75-plus years old.

Bright'nJazz, BrightonMusic's big-band jazz group, will perform original works in addition to a Glenn Miller piece, featuring vocals by Catherine "Cat" Murphy.

This year's youngest composer plays clarinet in the Foundations band, under the direction of Bob Dunkin, who arranged James' composition. The 11-year-old wrote *Rancher's Roundup* for a merit badge in music. His involvement in the Promenade Horsemanship Academy inspired the title of his composition.

As always, there will be a bake sale in the foyer, proceeds of which will help support BrightonMusic.
